

St. Columba's Presbyterian Church, Havelock North

has a ministry vacancy, due to retirement, for a full-time, nationally ordained Minister.

We are seeking a Minister

- who can provide a challenging, spiritually extending and encouraging ministry.
- whose approach is progressive and who is able to offer an informed perspective on theological inquiry. She or he needs to be self-confident and able to accommodate the range of theologies present within the congregation.
- who is able to offer an encouraging and permission-giving style of leadership, presenting opportunities for people to contribute and participate.
- who is able to engage comfortably with people of all ages, stages, backgrounds and ethnicities.

We are a thinking, doing congregation, a community of faith and reason, characterised by a modern approach to Christian theology and biblical interpretation. We are able to offer a strong effective support team. There is a genuine sense of community, experienced through fellowship, friendliness, a feeling of belonging, caring for and sharing with each other.

Together we can do whatever we can dream – this is an exciting opportunity.
